Subject: Environment, Safety and Health

I. Policy

BWXT Y-12, L.L.C. (BWXT Y-12) conducts all activities in a manner which provides safe working conditions; protects workers' health, the public, and the environment; and conserves natural resources. Activities will be conducted safely in compliance with applicable Environmental, Safety and Health (ESH) federal (including Department of Energy), state, and local laws, orders, agreements, and regulations, and in a manner commensurate with associated hazards.

BWXT Y-12 is committed to:

- utilizing the principles of an integrated safety management system as the process to plan and conduct all work safely, thereby minimizing risk to personnel, the public, and the environment.
- compliance with applicable ESH laws, orders, agreements, and regulations;
- continual feed back and improvement in ESH management systems and performance;
- prevention of injuries and illnesses;
- prevention of pollution; and
- maintaining a work environment where employees can express ESH concerns without fear of reprisal.

II. Purpose

This policy affirms the commitment of BWXT Y-12 to conduct activities in a manner protective of personnel, the public, and the environment.

III. Scope

This policy applies to all BWXT Y-12 activities, personnel and subcontractors

.

IV. Administration

The President and General Manager is responsible for the administration of this policy. The ESH Director is responsible for interpretation and maintenance of this policy.
